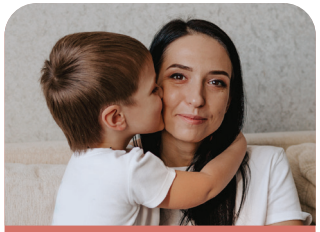
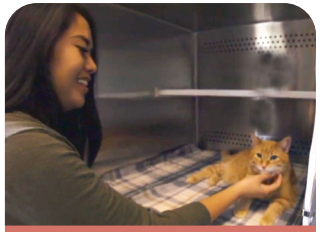
ROSE BROOKS 2021 Impact Report (January - December)

Shelter & Housing



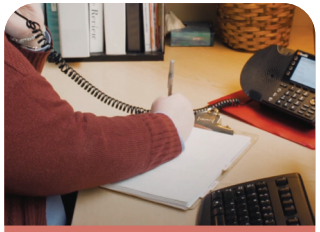
41,172 nights of safety were provided to 575 adults and children through emergency shelter and housing. Safe housing allows the mind and body to heal.

Pet Shelter



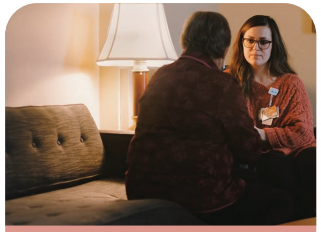
2,952 nights of safety were provided to 76 pets. Families may now choose to keep their pets with them in their private rooms!

Hotline



7,865 individuals called Rose Brooks Center's hotline to speak to a trained hotline advocate. For many this is where the journey to safety begins.

Bridge Program™



764 patients experiencing domestic violence met with hospital advocates through Rose Brooks' Bridge Program™, serving 5 health systems across 14 different sites.

Court Advocacy

1,344 survivors were assisted by court advocates, helping them navigate the legal system while providing advocacy and ongoing support.

Police Advocacy

2,897 calls to Rose Brooks from police while on the scene of highly lethal domestic violence situations, as part of a Lethality Assessment Program with KCPD.

Counseling

271 adults and children participated in individual and group therapy, helping them heal from the trauma of domestic violence, and reclaim their lives.

Project SAFE®

1,067* students received education about healthy relationships and more through our school-based violence prevention program, Project SAFE®.

*2020-2021 school year

Economic & Employment

552 collective economic and employment advocacy sessions were provided to adults, helping address the financial barriers that keep survivors in dangerous relationships.

On-Site Clinic

142 clients received 498 services both in-person and via telemedicine, including health advocacy, medical and dental care.

Impact Spotlight

15,287 safety planning sessions between survivors and Rose Brooks Center staff were provided in 2021. A safety plan identifies options, evaluates those options, and creates a plan to reduce the risk of violence, both during the relationship or once the relationship is over.
