Rose Brooks Center Vision

A Message From the Board President

Dear Rose Brooks Center Friends,

Rose Brooks continues to be a very special place of healing and hope. Our mission to end the cycle of domestic violence remains our sole focus. We are steadfast in our commitment to provide a safe place and support services to our clients and their pets.

All of our services have been implemented to assist those we serve to make a new start, free and safe from the misery of domestic violence. Our talented and caring professional staff provide life-changing services every day of the year. Just one of the many reasons it has been a privilege for me to serve on the Board for the past twelve years, working alongside so many wonderful people.

Once again this year we are tremendously blessed and thankful for all the community support we receive. We could not do what we do without the help provided by our volunteers, and from all the donations received from so many that support our mission.

The leadership team at Rose Brooks, including our Board of Directors, is committed to continuing to provide the services needed to help those in need as we move forward. A part of this commitment is our fiscal excellence, as evidenced by our 4/4 star rating on Charity Navigator and our Platinum-level designation on Guidestar.

Thank you again for helping the Rose Brooks Center team do what they do so well.

Very truly yours,

John Lathrop, Board President (Fiscal Year Ending 2022)
