A Message From the Board President

Dear Friends,
Our mission to break the cycle of domestic violence is unwavering.

While our emergency shelter provides safety for hundreds of individuals each year, Rose Brooks also serves thousands through our comprehensive network of services designed to support and empower our clients. Whether it's our Bridge program in hospitals, court advocacy, financial empowerment, housing assistance, school-age programs, community education, and more, the incredible and caring staff at Rose Brooks is dedicated to meeting the specific needs of each individual client, when and where they need it most. Our team members work tirelessly to lift survivors, providing tools and resources needed to build a safer, brighter future for themselves and their families.

The leadership team at Rose Brooks, including the Board of Directors, is committed to offering a broad range of services that include innovative, groundbreaking programs. They also ensure that our resources are managed responsibly, maintaining the high standards that make our organization so effective. We could not achieve any of this without the steadfast support of our volunteers, donors, and community partners.

I have had the honor of serving on the Board the past four years and have seen firsthand the profound impact Rose Brooks makes in our community. The dedication and resilience of our team, generosity of our supporters, and courage of our clients is continually inspiring.

Thank you for being an essential part of our mission. Your kindness creates a lasting impact in our community. With your support, Rose Brooks remains a lifeline and beacon of hope for countless survivors. We couldn't do it without you.

With gratitude,

Amy Kozup, Board President (Fiscal Year Ending 2024)
